

You can trust on Breezy!

The new, improved Breezy XFamily² will give your business a boost.
Efficiency which pays off.

Breezy is pure reliability.
Robust materials, safe travel on any terrain, an excellent
price-performance ratio.
Improved functionality for an improved positioning of the
user and more safety.
The whole XFamily² is crash tested according ISO 7176-19.

XFamily²

PariX²[™]

Combination of steel and aluminium for higher rigidity. Widest adjustability in class.

Axle plate enables flexibility for seat heights and rear wheel position.

Adjustable castor angle (0° & 3°).
Outrigged castor attachment.

Short and long comfortable arm pad in one.

 **Breezy**[®]
Premium products. Quality service.

All products in the Breezy XFamily² are crash-tested in accordance with ISO 7176-19 and are therefore approved for the transportation of a person in a vehicle, whilst seated in the wheelchair.
